Note - in 2020 due to the Covid-19 pandemic, the annual Ubly Homecoming 5K was cancelled and held as a virtual race instead. In late June 2020, some restrictions were lifted, so on the day the race was supposed to be held on 7/11/20, there was still a live in person race put on. Only a couple dozen people attended this, but there was no official timing or results done that day, so the results above were based on those that did the live in person race or did it virtually and chose to submit their times.
